A Message From The Stevens Administration

To Students:

Welcome to John Paul Stevens High School. The beginning of each school year represents an opportunity for you to reflect upon your personal goals and expectations. It is our hope that you will achieve your highest potential in all your endeavors.

This handbook has been prepared by the administration of John Paul Stevens High School in cooperation with the Superintendent and the Board of Trustees of the Northside Independent School District. It is for your guidance in understanding some basic policies around which your school functions. Please read carefully and abide by these rules and regulations.

To Parents:

Please make every effort to encourage your child to attend school regularly and punctually. Poor grades can often be attributed to irregular attendance, while tardiness tends to develop the wrong habits and attitudes toward life and its responsibilities.

The purpose of this handbook is to supply you and your child with information about Stevens High School. Frequent reference to this handbook will acquaint you with the functions of your school. Please feel free to confer with teachers and the administration when you deem it necessary.

The cooperation of school patrons, based on the knowledge and functions of the school, will result in a more efficient and successful school program.

John Paul Stevens

John Paul Stevens (born April 20, 1920) served as an Associate Justice of the Supreme Court of the United States from December 19, 1975 until his retirement on June 29, 2010. At the time of his retirement, he was the oldest member of the Court and the third-longest serving justice in the Court's history. He was nominated by President Gerald Ford to replace the Court's longest serving justice, William O. Douglas. Ford praised Stevens in 2005: "He is serving his nation well, with dignity, intellect and without partisan political concerns." Justice Stevens authored the majority opinion in 2001 that provided for equal access for disabled athletes, specifically allowing a disabled golfer to use a cart during PGA competitions (PGA v Martin). He also wrote the majority decision that the Constitution does not grant a sitting President immunity from civil litigation (Clinton v Jones). Justice Stevens is highly respected for his integrity, honesty and impartiality.

Instructional Assistants

The primary role of an Instructional Assistant is to help teachers in the necessary educational, clerical, and record keeping tasks of our students.

Police

The Northside ISD Police Department operates 24-hours a day and is dedicated to the safety and welfare of all students, faculty, staff and visitors of the District and the protection of District property. The Department works closely with all local municipal police departments, state and Federal agencies, and other school district police departments in the Bexar County area. The NISD Police Department consists of state Licensed Peace Officers and civilian employees who provide office support and 24-hour dispatch. John Paul Stevens High School has two campus officers. Students who break the law will be held accountable. NISD police are fully commissioned by the State of Texas. Campus police officers reserve the right to write on campus tickets for parking/traffic violations. Parents/students will be held responsible for any violations that take place on campus to include fines which will be added to the fines/fees obligations.

ACADEMICS

Our campus vision is to grow future-ready members of the community and we work to achieve our vision by providing learner-centered education that challenges all students. We strive to provide engaging and relevant learning opportunities connected to experiences students will encounter in their community careers and adult lives. Also, mutual existence of academic disciplines and extracurricular activities is encouraged, as our faculty feels that the well-rounded student is the primary goal.

Academic Support

For questions regarding a student's grades, parents should contact the teacher directly. Students who need additional time and support should utilize tutoring opportunities provided by their teachers and the campus. Teachers are able to assist students either before and after school hours as appropriate. Specific tutoring times are provided by each teacher / department.

Academic Integrity

To foster a productive learning environment, students and their teachers must base their relationships on mutual trust and respect. Integrity, ethics and trustworthiness are integral parts of building a relationship of mutual respect and are character traits each student should possess. Therefore, students are required to complete all assignments with honesty and integrity.

Any student who cheats, plagiarizes or copies someone else's work or allows someone else to utilize/view their work which results in copying/plagiarizing, may be subject to both disciplinary and academic penalties. Teachers will work with admin as needed to determine when any of the following consequences for violating academic integrity are warranted:

- Parent contact/conference
- Assigning a zero for the assignment
- "U" in conduct in that grading cycle
- Discipline referral to administrator or academic dean for documentation
- Notification of offense to student's coaches/sponsors (as it relates to UIL and NHS eligibility)

ACADEMIC POLICIES Please refer to the [NISD High School District Handbook](#) (Section B) for all general academic policies all NISD high schools adhere to (including grading, class rank, eligibility and graduation requirements).

LIBRARY POLICIES

The library has a varied collection of books and electronic sources and offers opportunities for research and enjoyment. Courtesy and cooperation in all library relations will assure all students equal opportunities to use the library materials in an atmosphere conducive to learning. Please reference the campus website www.nisd.net/stevens for more information.

ATTENDANCE

ABSENCES

Minimum Attendance for Class Credit Law

THE MINIMUM ATTENDANCE FOR CLASS CREDIT LAW (Texas Education Code 25.092) STATES THAT A STUDENT MAY NOT BE GIVEN CREDIT FOR A CLASS UNLESS THE STUDENT IS IN ATTENDANCE FOR AT LEAST 90% OF THE DAYS THE CLASS IS OFFERED, EXCEPTIONS PROVIDED IN SCHOOL DISTRICT POLICY. (Please refer to Section "D" of this booklet for a complete explanation of the law.)

Missing a Bus

A student who misses the bus must make every effort to get to school because all classes missed are counted against his required attendance. All buses for Stevens High School are based out of South Transportation on Hunt Lane. The phone number is 397-0250.

Arrival at School

Once the students arrive on campus they are not to leave without checking with the attendance office. For permission to leave school refer to Section D of this handbook. Once students are on campus in the morning, they are not allowed to leave without parent permission.

Tardies

Students are expected to be in class on time. Excessive tardies will result in progressive disciplinary action for each infraction.

Verification of Absences

When a student is unable to attend school, the parent will need to provide written documentation to the attendance office to report the cause of absence. Documentation must be provided within three (3) school days. Documentation can be provided in the form of a parent note or doctor note; however, a parent note may not be accepted if a student is placed on an attendance warning note per the compulsory attendance law.

Absences – Excused vs Unexcused

- On the day following an **absence** the student will report to the Attendance Office and present a written excuse before school. The note will be kept in a file under the student's name, however, if a copy is requested, one will be made. The attendance office will update the student's attendance record, if necessary. Parent notes, doctor's notes, and other forms of documentation will only be accepted up to 3 days after the absence. Any note provided later than defined above must be approved by an administrator.
- Excused Absences:
 - Personal illness
 - Funerals for immediate family members with appropriate documentation
 - Personal medical appointments
 - Court appointments with subpoena
- Unexcused Absences:
 - Car trouble/flat tire
 - Missing the bus/ride
 - Overslept
 - Renewing driver's license
 - Caring for a family member
 - Busy traffic
 - Court appointments for a traffic violation
 - Notes without all pertinent information
 - A confirmed truancy
- If a student fails to bring a note, the absence will be left unexcused.
- If a student attending **only part of the school day** due to appointments, a parent/guardian must report to the Attendance Office with a **valid picture ID** to sign the student out. When the student arrives to school late without any documentation, the student's absence will be considered unexcused. The unexcused absence will be coded as either AT (absent by tardy), or UA, for each class the student is absent the entire period. **It is advised that students inform their teachers about any planned absences prior to the absence.**
- Students who arrive after 9:15 AM due to tardiness will be counted AT (absent by tardy), as mentioned above. This is an unexcused absence.
- Students missing more than **15 minutes of any class** are considered AT (absent by tardy) for the period.
- If there is a question concerning the validity of any note the student will be referred to an administrator for verification.

Leaving School During the Day

Students who become ill during the day must be excused by the attendance office, by way of the nurse/health clinic. A student who has a documented appointment with a health care professional during regular school hours will be considered present all day for every class if the student returns to school on the same day of the appointment, and provides a doctor's note as documentation of the medical appointment. The parent/guardian must sign the student in and out at the attendance office on the medical log sheet. Students will not be permitted to leave campus without parent consent. Students are not permitted to sign-out from school without parent consent. This includes adult students.

Absences and Grades

Students are encouraged to make up work from all absences, regardless of reason. Missing tests or work may be entered in the gradebook as "missing" and count as a "0" until the student makes them up.

Extended Absences

Parents are requested to contact campus administration if a student is expected to be absent for an extended period of time.

Attendance Recovery

The Campus Attendance Committee has designated Attendance Recovery as a way to make up excessive absences. Attendance Recovery gives students the opportunity to remove absences for credit purposes. Each one hour session of Attendance Recovery is equivalent to a class period. Attendance Recovery dates, times, and location will be announced throughout the school year. Please note that Attendance Recovery is for credit purposes only, and will not redeem a student from truant behavior, nor reverse a referral to truancy court.

Waiver for Excessive Absences

To regain credit due to excessive absences for extenuating circumstances students may attend Attendance Recovery and /or submit a request for a waiver of the absences. Waivers are only approved by the campus attendance committee for extenuating circumstances outside of the student's control. Contact the attendance office concerning waivers and their requirements.

VERIFICATION OF ENROLLMENT (VOE)

In order for a student to obtain a Verification of Enrollment and Attendance Form (VOE/TEA Form) to obtain a driver's license, the student must be in attendance for 90% of the days the class was offered in the previous semester. For example, if the student is seeking a VOE/TEA Form for the Spring, issuance of the form will be based on attendance of each class in the previous fall semester. Requirements to receive a VOE/TEA Form to obtain a driver's license are as follows:

- Any student who was in attendance 90% of the days the class was offered in the previous semester will be eligible to receive a VOE/TEA Form.
- Attendance Recovery does not correct student attendance, or allow a student to regain eligibility for a VOE/TEA Form.
- Students can submit VOE/TEA Forms once each semester. Additional forms will not be accepted.
- You must request a VOE/TEA Form in the Attendance Office, at least 24 hours in advance for it to be processed.
- Once requested, the form can be picked up from the Attendance Office

GENERAL INFORMATION/ CONDUCT

Bell Schedule

Stevens High School operates on an 8 period bell schedule. Lunch is during periods 3, 4 and 5. The bell schedule can be accessed from the Stevens Website. Students may only enter the building through the front doors or the bus loop doors. Students are expected to be in tutoring or at an approved school activity no later than 5 minutes after the dismissal bell. Students found loitering will be asked to leave the building. Disruption and / or inappropriate behavior after school may result in disciplinary action and a Criminal Trespass Warning issued by NISD police.

Bicycles / Skateboards

Bicycles may be locked at one of the bike racks located in front of the school. Skateboards are NOT permitted on campus. They will be confiscated and returned to a parent.

Class Dismissal

The dismissal bell in the classroom is not a signal for students to move. It is a signal for the teacher to conclude that particular class. The teacher, not a bell, will dismiss students from class.

Conference Period

Each teacher is assigned a conference period as part of his or her teaching assignment. This period is set aside to give the teacher an opportunity to develop plans for both classroom work and individual guidance to students. Another purpose of this period is to provide a teacher with a scheduled time to conference with parents.

Confiscated Items (hats, caps, electronic devices, skateboards, musical instruments etc.)

Items that are deemed a nuisance item by becoming a distraction in class or in common areas may be confiscated. THESE ITEMS WILL BE SECURED IN THE ADMIN OFFICE AND WILL BE RETURNED ONLY TO A PARENT AT THE END OF THE SCHOOL DAY. Upon a student's 3rd occurrence of any confiscated item, the student may be suspended and / or prohibited from possessing the item while at school.

Deliveries / Forgotten Items

Gifts of any kind will not be delivered to students. This includes flowers, balloons, cakes and/ or other celebration items. These items must also not be brought to school. Delivery of food from outside sources is prohibited, and deliveries will not be accepted on students' behalf. Parents wanting to deliver items to students such as school work or other school related items may give the item to the person working the front desk. The student will be called to collect the item when he/she is not in class. Students will not be called from class to collect items / visit unless approved by an administrator. Acceptance of these items does not imply liability. Cash will not be accepted for delivery.

Detention Hall

Students may be assigned to D-Hall by an administrator as needed. Detention is every day during lunch.

Disruption

The academic and social environment of Stevens High School will be upheld by faculty and staff. Students choosing to disrupt class or the academic environment will be subject to disciplinary action.

Dress Code

The responsibility for the appearance of the students at Stevens High School rests with the students and parents. Clothing which displays or suggests vulgarity or obscenity, racial slurs, promotes the use of drugs, alcohol, or tobacco, or is excessively revealing is not permitted. Leg wear (including long pants) exposing skin 4 inches about the knee is not permitted. Wallet chains, jewelry, or accessories that can be considered dangerous are not permitted. Refer to Section D of this handbook for NISD Board Policy.

EOCs/End of Course Testing and Cell Phone / Electronic Device Possession

Students will not use or access any sort of electronic device during a campus exam or EOC STAAR test. Failure to comply may result in disciplinary action and/or a ZERO on a campus test and /or INVALIDATION of the EOC/STAAR test. If there is reason to believe that the academic integrity of the test may have been compromised, the contents of the electronic device may be reviewed. The electronic device will not be returned to the parent until the investigation is complete. Before these tests are administered the student will be reminded of the policy. The contents of these items, when confiscated during a testing day, are subject to confiscation and may be inspected regardless of the location where confiscated.

Finals

Finals will be during the last 4 days of each semester. Make arrangements to be present for these days. In the event of an emergency, the finals may be taken during the summer. All other special testing considerations must be arranged and requested through the Academic Dean.

Financial Obligations

In order for Stevens High School students to participate in school sponsored activities including but not limited to prom, school dances, invitation distribution, cap and gown distribution, graduation rehearsal, and off-campus privileges, the student must be in financially good standing with the campus and the school district. Students must clear all debts and obligations prior to these events and prior to receiving end-of-year report card. Debts and obligations carry over from year-to-year and could occur from club, class, restitution contract, or organization dues; spirit, parking citations, fine arts, and athletic organization supplies and activities; uniforms; textbooks; fundraising events; and any other financial debt or obligation from school owned items checked out to the student.

Graduation

Graduation is a solemn and dignified ceremony. Students are expected to observe proper etiquette during the entire graduation ceremony. While they are on the stage and receiving diplomas, students must keep their hands at their sides at all times. The only time hands may be lifted is when students are receiving diplomas from school board members and shaking hands with the superintendent. Students that raise their hands above their waists for any reasons other than receiving the diplomas or shaking hands may be removed from the graduation ceremony. Students demonstrating any other behaviors that serve to lessen the dignity of the event may be removed from the graduation ceremony. All students are expected to demonstrate a high degree of maturity and behave appropriately.

Hall Pass

Students out of any class will be charged with the responsibility of having in their possession a hall pass signed and dated by a member of the faculty or staff. Time leaving the class and returning to class will be noted on the pass. Each teacher will develop policies related to the use of hall passes in compliance with administrative directives.

Health Services

The school nurse gives first aid only. She does not diagnose illnesses, but instead takes note of symptoms and notifies the parents of her observations. Students are to be kept at home when ill, and they should return only after they have had a normal temperature for 24 to 36 hours after any illness. This is important for the health of the student and for the health of all students at school.

If a student becomes ill or is injured while at school, he/she will be given first aid and his parents will be notified. In no case will a child be sent home until the parent or the person indicated by the parent has been contacted. Every effort will be made to contact the parent first. If the parent is unable to come for the student, arrangements must be made for his care by the parent. In an extreme emergency, EMS or an ambulance (designated by the parent) will be called.

It is the parents' responsibility to renew the Medical Release Card each year. Please inform the student's counselor or the nurse of diagnosed medical problems.

I.D. Cards

ID cards are available in the downstairs VPO every morning. The first card is issued free of charge. A \$5.00 fee will be charged for replacement ID cards. Students are strongly encouraged to wear their ID on a lanyard OR carry it on their person.

Junior/ Senior Lunch

Juniors and Seniors of Stevens High School wanting to participate in Junior / Senior Lunch must meet the following criteria and be willing to comply with the rules set forth. If a student is unwilling or unable to comply with these guidelines it is recommended that they do not apply for a pass:

- All Juniors and Seniors are eligible first semester but must have parents sign their application.
- Students earn off campus lunch privileges one semester at a time.
- Juniors and Seniors must have earned credit for ALL classes by the end of the previous semester.
- Students leaving campus must return to campus within the required time. Excessive tardies from Junior / Senior lunch may result in loss of off-campus lunch privileges.
- Students may not visit any other campus.

- In order to leave campus you must have your ID with the appropriate sticker. Students will not be permitted to leave without the proper ID and sticker.
- Students must leave and return through the front doors. Vehicles must have a parking permit to leave campus during lunch.
- Must be in good standing in terms of discipline. This privilege is subject being revoked if a student has excessive discipline issues.
- Seniors / Juniors will remain out of the building during the lunch period.
- Seniors / Juniors will lose off campus privilege and their parking permit if they take an underclassman or unauthorized Juniors or Seniors off campus.
- **The campus can be closed to everyone at any time when deemed necessary by campus administration.**

Locker Assignment

Lockers are optional and are assigned when a student requests a locker at the beginning of the school year. NO SHARING OF LOCKERS WILL BE PERMITTED.

Lockers are NOT the student's personal property and are subject to inspection by school personnel. Students are responsible for all items stored in their assigned locker.

Lockers are provided as a service for storage of books and school needs. They are not intended for the safe keeping of valuables. The school district has no insurance to cover items lost or stolen from the lockers.

Lost and Found

Neither the School District, Stevens High School, nor the faculty or staff of Stevens High School will be responsible for any personal possessions that a student may choose to bring to school.

Students who find lost articles and textbooks are asked to bring them to the Receptionist's desk. Clothing and other articles that are not claimed by the end of each year are turned over to a charitable organization.

Messages

So that the academic atmosphere will not be disrupted, students will not be called to the telephone during class hours. Only in cases of an emergency will a message from a parent or guardian be delivered to a student. Parents or guardians wishing to meet with a student during class must speak with an administrator for approval. Students are not to receive phone calls during class as this disrupts the learning environment.

Parent / Teacher Conferences

Parents are encouraged to contact teachers by telephone or e-mail regarding the academic progress or classroom behavior of their student. To arrange for a conference with a teacher, the parent should contact the teacher at least one day in advance to schedule to meet during the designated conference period of the teacher. Giving advance notice to the teacher allows for adequate preparation and research of the student's records. Contact the campus administration if you need assistance.

Parking and Traffic Regulations

I. RESPONSIBILITIES

- All students, faculty and staff members who park their vehicles on the campus must secure and display a parking permit. THE RECEIPT OF A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE. However, it does authorize parking if the space is available.

- The speed limit on campus is 10 MPH. Speeding and/or reckless driving will not be tolerated. Seatbelts must be worn as dictated by the Texas Traffic Code. Cell phones may not be in use when operating a vehicle. Operators committing any traffic violations on-campus will be subject to citation and/or revocation of parking privileges.
- Texas laws governing motor vehicle operation are effective on all campus locations.

- F. Parking privileges will be revoked if a student has persistent or major disciplinary problems, excessive absences, uses the vehicle to violate school policy, drives recklessly (on or off campus), speeds or any other violation as determined by the campus Principal. A new parking sticker will have to be purchased if they re-qualify for the permit after an amount of time determined by campus administration.

Pledge of Allegiance / Moment of Silence

As required by Texas law, each day the Pledge of Allegiance to the United States and Texas will be followed by a moment of silence. Students are expected to either participate in the Pledge of Allegiance and moment of silence or to remain quiet and respectful if they choose not to participate. If a student's actions are considered disruptive to this process, disciplinary action will be taken. To request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag, the request must be in writing. State law does not allow your child to be excused from participation in the required moment of silence or silent activity that follows.

Posters and Signs

Any individual or organization that wishes to display a poster or a sign must have the signed permission of the Associate Principal who will designate the place where the poster or sign will be displayed. All organizations should remove their posters and signs following the events. Rules to be observed during the activity will include:

- Once a student has arrived at the activity he or she is NOT to leave the activity until ready to depart for the remainder of the evening.
- Planned activities are to be for the use and enjoyment of John Paul Stevens High School students ONLY, unless requested and subsequently authorized by an administrator to include guests.

 - o The student asking to bring a guest will be responsible for the dress, conduct, and behavior of such guest.
 - o Applications for guest permits will be issued and approved by an administrator if appropriate

Students Selected for Popularity Courts

Students are elected to courts in conjunction with various events held on the high school campus. Examples include but are not limited to homecoming court and prom court. It is the position of the district that these selections are based on popular vote. However, if these court representatives are involved in activities that are extracurricular, or if the activity is held in conjunction with another activity that is considered extracurricular (i.e. Homecoming Court), then the students must meet all eligibility rules relating to extracurricular activities. Student participation in courts that are not considered extracurricular (i.e. dances, ball courts, prom court) must follow the guidelines as specified by the activity sponsor, or the campus principal. Student participation on any popularity court will ultimately be at the discretion of the campus principal.

Telephones For Student Use

Telephones are available for student use in the Associate Principal's Office. Students may use the telephones in the office only in the event of an emergency. Students will not be called to the telephone during class hours, nor will they be permitted to leave class to use the telephone. Only in cases of an emergency will a message from a parent or guardian be delivered to a student.

Testing-EOC

The STAAR test is a state-wide examination for all public-school students. Students are expected to be in attendance the entire day the STAAR test is offered. Parents should not collect students from school on test days.

Textbooks

Students are issued a textbook for each subject they are taking if a textbook is needed or at student request. Also, in some classrooms, textbooks are provided for in class use only. The books are numbered using ISBN and accession numbers; it is the student's responsibility to take care of the books which includes the identification label within, torn pages, etc. If book labels get damaged and we are unable to identify the accession/ identification number, the student will be responsible for the cost of that book and the unidentified book will remain in possession of Stevens High School. Any lost or stolen books are the responsibility of the student. Students are expected to bring books to class daily. Solely by student discretion and responsibility, students may leave their assigned books in teacher designated location within the classroom. In doing so, please remember this is neither procedure nor protocol but rather a student convenience. If the student decides to leave their book(s) in the teacher's classroom, this is done at the risk of each student; lost or stolen books are the responsibility of the student. The books belong to the State of Texas and are loaned to the student. Students will not be issued a new book until any lost or stolen book is replaced by payment. This includes the preceding school year.

Tutoring
