**2018 ANNUAL REPORT**  
**\*FISCAL YEAR JUNE 2017 TO MAY 2018**

# YEAR AT A GLANCE

**Tomas Larralde**  
President  
NEF Board of Directors

## Letter from the President

This year, the Northside Education Foundation (NEF) has stayed the course despite some challenges, and found success working with new community partners. Here are some highlights I'm proud to share I attribute to our invaluable donors, volunteers, and extensive NISD and NEF community of supporters:

- NEF's largest community fundraiser, the 5K Run/Walk & Family Wellness Fair, was an officially sanctioned San Antonio Tricentennial Celebration partner event.
- After three years at SeaWorld, the NEF 5K moved to O'Connor High School and partnered with the City of Helotes and the Helotes Cornyval Festival Association to provide a full day of fun for 5K participants.
- NEF completed a board recruitment plan to appoint board members from targeted industries that haven't traditionally been represented on the Board of Directors.
- NEF awarded \$340,000 in grants to Northside faculty and staff.
- NEF was ranked in the Top 50 education foundations in the U.S. and is No. 1 in Bexar County.

Also, the NEF leadership team spent time studying Northside's growth data and other public education statistics and ways the Foundation can partner with the District. NISD included NEF leaders in several District strategic planning design committees. This partnership allows for the Foundation to align its mission to the needs of Northside faculty, staff and students.

The current theme, "Unmask the Possible", is a rally cry to all of our donors, partners and volunteers to join me in continuing to support the District. Together, we have the opportunity to unmask the resources, advocacy and more for teachers, administrators, counselors, custodians, and so on needed to better prepare Northside students for the world that awaits them.

Thank you for the honor to serve.

## **NEF Designated Funds and Grants**

Reminding staff members they do not have to be teachers to apply for grants, NEF solicits funds from all types of NISD employees during its Annual Employee Pledge Drive and, in turn, opens funding options to programs such as Adult and Community Education, and NISD departments like Transportation and Maintenance.

Grants are read and scored by a committee of NEF Board members, NISD staff, and volunteers. Training for how to apply for and win an NEF grant is provide in-person, one-on-one, and in webinars produced by the NISD Grants and Recognitions Departments under the leadership of Director Sharon Sanchez.

In addition, NISD is able to use NEF's tax-exempt status to apply for other grants that are not open to public school districts without NEF's 501 c-3 authority. Designated or restricted donations to NEF are designed to be exclusively donor-driven.

In each, IRS rules limit the use of funds to the specific goals of the donor. The Foundation has 38 designated funds. Unlike other foundations that manage tax-exempt gifts, NEF does not charge an administration fee for handling restricted funds and applies interest earned to funds of \$10,000 or more commensurate with the NEF endowment's performance.

## 2013 – 2018 Strategic Plan Priorities:

- I. **Community Engagement** — Effectively promote awareness of NEF and NISD activities through participatory stakeholder communications and engagement among students, parents, alumni, and the business community to strengthen and diversify advocacy and programs.
- II. **Maximize Benefits to Students** — Provide for innovative programs for Northside students, faculty, and staff above and beyond the provisions of the regular NISD budget by funding eligible grants competitively (increasing the percentage of grants funded each year) and developing a plan to sustain successful programs.
- III. **Invest Wisely** — Continue to maintain fiscal stability and endowment growth aligned with the everchanging needs of the District.
- IV. **Donor Diversification** — Provide a wide array of options for donors who choose to support education, with the goal of increasing the amount of funds as well as the number of donors.
- V. **Board Leadership and Development** — Recruit and retain diverse Board of Directors members who represent the NISD community that can volunteer time, energy, expertise, and financial support, as well as aid in developing successors, to advance NEF's goals.

# Make a Decision Today to Create a Better Tomorrow

Create a better tomorrow by including the Northside Education Foundation in your will today. Consider a planned gift to the Foundation and help continue our work in the future. Your gift will help prepare our next generation of leaders, thinkers and doers and inspire answers to tomorrow's biggest challenges. Call 210-397-8599 for more information.
